

IN A MILLION WORDS OR LESS . . .

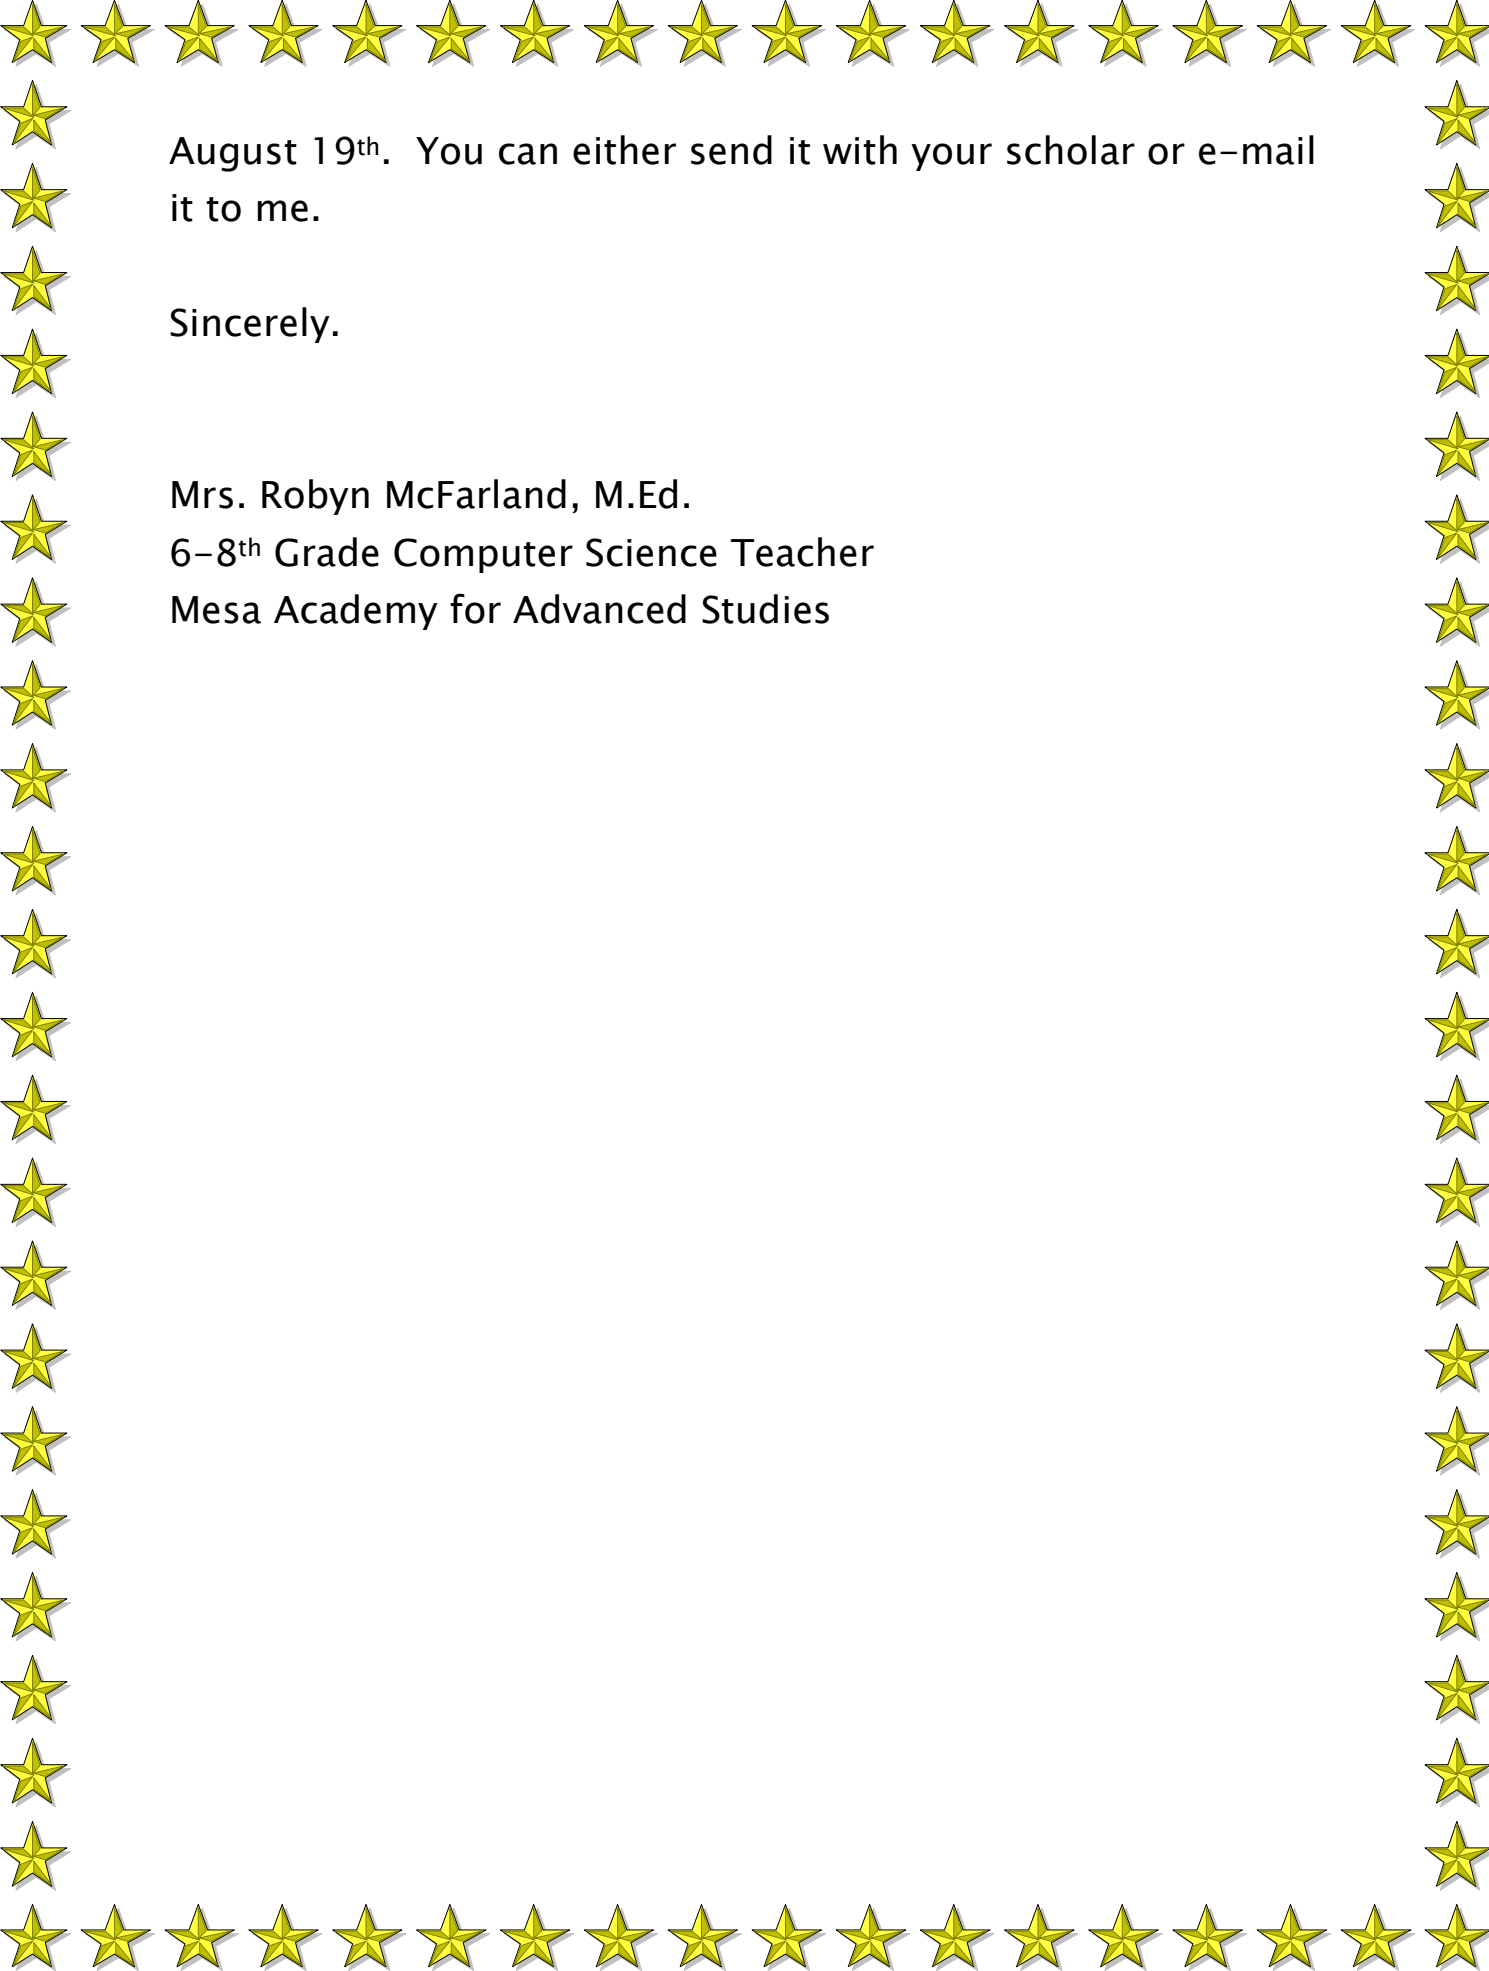

TELL ME ABOUT YOUR SCHOLAR!

Yes, you are getting a homework assignment! The reason behind this activity is that it takes us a great deal of time to know your child. Some we never really know as well as we would like. This activity gives you a chance to tell me what you think I should know about your scholar. I will read every one of them. I will not share your comments with any other person, including other Mesa Academy teachers.

Your scholar is in for a great experience in IB Web Design or IB Digital Technology this year. The curriculum is rigorous, but very doable. I have attached the course syllabus to this email. The syllabus explains what your scholar will be learning. Feel free to contact me with any questions.

This should be a very exciting and busy semester. The key is communication. Please sign up for our Remind group! I have included the information within the email. This way I can send out messages, and you can respond to me as well. Email is also a great way to communicate with me. My email is at the bottom of this document.

Take your time with this, but there must be a deadline. Please get "In a Million Words or Less . . ." to me no later than Friday,

August 19th. You can either send it with your scholar or e-mail
it to me.

Sincerely.

Mrs. Robyn McFarland, M.Ed.
6–8th Grade Computer Science Teacher
Mesa Academy for Advanced Studies
